HAMILTON WINS FROM ST. LAWRENCE, 9 TO 8

Buff and Blue Defeats Canton Team In First Game on the Campus. Great Catch by Royce.

GAME MARRED BY ERRORS.

Visitors Negotiate Fifteen Hits but Their Infield Proves to be Far From Air-tight.

What Hamilton supporters hunched would be a walk-away proved a rather close call last Friday, when in the first game of the season on the Campus, St. Lawrence was beaten by a score of 9 to 8. Hamilton started off with three runs in the first inning and never lost the lead, but in the seventh and eighth the Canton boys got close enough to cause the home team's supporters some anxiety. Then Captain "Steve," the local strike-out artist, went into the box and fanned two of the Cantonites, allowing one more run, however, to make the thing look really interesting on paper.

Game Slow.

The game was rather slow on the whole, and ragged in places. There were many hits of the lesser varieties, but no real wallops worth remembering, and no spectacular plays to bring the stands to their feet, unless we mention Royce's one-hand stab of a long fly in the sixth. Hamilton showed weakness in hitting with the bases full, and made several costly errors in wild throws to the bases. The ragged work of the St. Lawrence infield was responsible for several of the home team's runs.

In the first inning the team batted once around, hits, errors, and free passes all having their share in the resultant three runs. In the sixth also three runs were made by Hamilton, timely and effective hitting being responsible, but the good work was stopped when Cheese flied out with the bases full. The third, seventh, and eighth were St. Lawrence's best innings, each recording two runs, made possible in the third by good hitting and in the other two by that combined with poor throws.

THE 1914 TRACK SQUAD

..Members of Squad: Coach Risley, Capt. Lee, Mgr. Dieterlen,, Ass't. Mgr. Thorne, Jessup, Leavenworth, Dayton, Clapp, Weaver, Abernathy, T. Lee,'14; Higbie, Ingersoll, Hulbert, Keddy, Potter, Prescott, Brockway, '15; Knapp, Insley, Bushnell, Banks, Robson, Mattoon, Nichols, '16, Shepard, Boyce, Woolnough, Dise, Lyon, Burritt, Squires, Lewis, '17.

SENIORS BANQUET AT HOTEL UTICA LAST NIGHT

Much Vivacity (Lots of Pep) When 1914 Meets for Last Feed. "Leff And the World Leffs with You."

Rocks took most of the Senior class to Trenton Falls with him yesterday and told them about metamorphic rocks until they were quite ready to return to the Hill and "hit the sheets," as Poet-Laureate Browning so inimitably has it. Instead they piked to Utica, hammers in hand, real John Burroughs like, and metamorphosed into Royal-High-Senior-Banqueters. Life gathers from an incoherent report which has just been received over the wire, that a "regular time was enjoyed by all." As the verse on the programs expresses it:

"No pent-up Utica confines our powers
But the whole boundless universe is ours."

Stevedore Royce, the original Liberty belle, was toastmaster, and after refreshments were well on their way, he called on Lefferts Brown for "a word." Leff responded right heartily, while a voice in the corner mumbled "Leff and the world leffs with you." Bill Barnes, styled "Virtue unadorned" on Browning's programs, and Jug Ogden succeeded in driving home a few words in the midst of the general hubbub. George Ogilvie, scheduled to appear as drum major of the Royal Horse Distillery, was not present at the banquet, so G. Williamson, with true Southern fire, fired Art Pohl from the room. Art had snickered something about: "Watch the Virginian reel."

After order had been restored, the banqueters proceeded to destroy the last vestiges of "Filet of Otsego Lake Bass," and other french dishes from new potatoes chateau to french dressing. Take it all in all, the affair proved the best of any of 1914's banquets, not even excepting the famous one of two years ago.

N. Y. U. OVERWHELMED IN FIRST TRACK MEET OF YEAR, 81 TO 36

Hamilton secures Ten out of Thirteen first Places, and runs away with visitors. Capt. Lee takes four firsts. Two of Hamilton's Intercollegiate Records broken.

Hamilton laid the lather over practically every portion of the New York University team last Saturday in the opening track meet of the season. Not content with mere victory, the buff and blue kept tacking point after point to her score until the number of events ran out and the totals stood 81 to 36 for Hamilton. This is the largest score any Hamilton track team ever piled up against an opponent so far as is known. Capt. "Fritz" Lee was easily the individual star of the meet, taking four firsts and twenty points, including the 440 yard dash which he took in a sensational sprint from Capt. Van Clief of the New Yorkers team. As a starter for bigger things on track this season, Saturday's meet certainly gave the Hamilton team a big jump. Coach Floyd Risley after ably expressing himself as to his all-round satisfaction with the result of the meet, declared that with good weather the men would improve 50 per cent in two weeks.

11 Ft. 3 In. In Pole Vault.

Tho there were some 36 points which Hamilton did not take, the buff and blue walked away with ten out of a possible thirteen first places, and broke two records, tieing one. Jessup bettered the shot put mark with a heave of 37 feet 1 inch, and Shepard, topping the bar with a vault of 11 feet 3 inches, made a new Hamilton intercollegiate record. In practice last Fall Shepard made 11 feet 4 inches, which was a College, but not a College intercollegiate record. In the 100 yard dash, Capt. Lee raced over the line in 10 1-5 seconds. One of the surprises of the meet was the easy fashion in which Keddy breezed around the track in the mile run, beating out Nichols and Prescott.

Stiff wind marred the possibilities for fast time in the distances, tho in some respects the day was tip-top for the meet. In the crowd of spectators were several sub-freshmen. The New Yorkers brought only twelve men to enter against Hamilton's thirty, and were consequently at a disadvantage. Under the guarantee offered by the Hamilton management the visitors could have brought a larger squad, but for some reason failed to do so. Their reputed record of 40 feet 1 1-2 inches in the shot put proved to be a myth, Jessup taking first at 37 ft. 1 in. Hamilton was in prime condition and did not have to be told to make good the promises of the coach.

After Lee had taken his third first place by defeating the gamy New York Captain, Van Clief, in the 440 yard dash, it was clear sailing for the buff and blue. Lee had all the pep of three men and his twenty points gave him the honors of the day. Had he not been handicapped by the wind there is every probability that he would have felled several records.

Boyce and Shepard, '17, and Keddy, '15, won their track "H." Both showed good form and took firsts, Boyce in the two-mile event, Keddy in the mile. In both distances Hamilton took all three places. In the hurdle events Hamilton could not touch W. Manny of N. Y. U. who cleared the hurdles in beautiful style. The hurdles events and the half-mile proved to be the only vulnerable spots in Hamilton's armor and it was in these that the visitors managed to take their three first places.

Lee vs. Van Clief.

The 440-yard dash was the most exciting of the meet. The rumors of the

STEUBEN FIELD WILL BE BUSY THIS WEEK

Two Baseball Games and Interclass Track Meet and Dual Meet With Rochester All Occur.

If old Baron Steuben were to stroll up on the Hill any afternoon during the coming week except to-morrow, he would think that the athletic field named in his honor was receiving its full quota of attention. This week the students are getting value received for a good share of that fifteen dollar tax that Bursar Stanton collected on Term Bill day. Today Union plays a return game of baseball on the Campus. The game was scheduled for last Tuesday, but was cancelled on account of rain, so the Garnet team will come to Clinton to-day. Thursday afternoon, the Interclass Meet promises to be warmly contested. The Seniors are good in the weights, with Jessup and Abernathy, and in the half-mile and hurdles with Carmer, Lee, and Leavenworth. The Juniors look very strong with Capt. Lee, Hulbert, Ingersoll, Prescott, Potter, Higbie and LaForce The Sophomores are rather weak, but the Freshmen, with Shepard and Boyce should make a good record.

Two Rochester Teams.

On Friday and Saturday the baseball and track teams from Rochester will be on the Hill. On Friday, Hamilton's baseball team will line up practically the same as on May 2nd., when the Buff and Blue trimmed Rochester 8 to 3 in Rochester. The Rochester line-up will be as follows: Willis, 2b; Schoen, 1b; Chesbro, cf; Schiebel, c; Skiff, 3b; Hammel; Ball, lf; Herendeen, rf; Patchen, p.

The Rochester track team is an unknown quantity. Kuhnert, their quarter-miler, who was unable to compete against Hamilton last year on account of Faculty ruling, and who has since broken Rochester's quarter-mile record, will compete. Guthrie, who won the two-mile race here last year is still in College, as is Gay, hammer thrower and shot-putter. The Rochester high-jumper goes 5 ft., 7 inches, and will give Banks and Knapp keen competition.

—Next Thursday the English Lit. Club will meet at Emerson Hall. The subject for discussion will be John Galsworthy. Burns and Williamson will read papers.

SPEAKING CONTESTS WILL BE HELD SATURDAY

Winners in Preliminary Interscholastic Speaking Contests Meet Here for Last Contest This Week.

Next Saturday at eleven-thirty the final Interscholastic Speaking Contest will be held in the College Chapel. This contest is the sole remaining remnant of Interscholastic Week, but inasmuch as the speaking is surrounded on all sides by a baseball game, a Track Meet and a College dinner for the entertainment of the visiting speakers, the success of the contest is expected to be greater than ever before. Preliminary contests have been held in New York, Buffalo, Rochester, New Rochelle, Binghampton, Utica and Newark, N. J., and at least ten schools have been represented in each of the contests, so that the winner here will be chosen as the best speaker in about eighty of the largest high schools of this State and New Jersey. The judges of the contest Saturday will be Dr. Stryker, P. M. Hull, '76, Curtis Miller, '99, Charles L. Mosher, '99, and Harry E. Dounce, '10.

The Program.

The speakers will be : Joseph Redmond, Batavia High School, on "An Allegory of the Centuries;" Karnek A. Handanian, Oakwood Seminary, Union Springs, "Speech of Patrick Henry;" Roger Howland, Erasmus Hall High School, Brooklyn, "A Message to Farcia;" Elliott Kadison, Boys High School of Brooklyn, "War;" Frank E. Kane, Central High School of Buffalo, "American Honor;" Leon Leighton, New Rochelle High School, "An Inglorious Peace;" Roy Constable, Yonkers High School, "Our Heritage;" Charles Warren Meeker, Binghampton High School, "American Infamy;" Jacob Tumpesky of U. F. A., "The Wandering Jew;" Charles Salzman of Vernon High School, "The Homes of the People;" Lionel Reid of Glen Ridge High School, "Who bears the Burdens of War;" Simon Englander of Newark High School, "Reply to Mr. Corev."

—The Latin Club will hold its final meeting a week from tomorrow evening at Prof. Chase's home. All the members are urged to be present, as the officers for the ensuing year are to be elected at this meeting. Walker, '14, will read a paper.

EDITORIAL.

Spring Dances and Track.

Last year Coach Risley was annoyed a great deal by temporary desertions from the track squad, caused by Spring dances. This year the College expects that track men obey the rules strictly in regard to this matter. Infraction of rules on the part of a single man might very possibly lose a meet for the College.

Lit Board Endorses Plan.

Life's editorial of last week, championing a revised system of manipulating Lit., has been subjected to fiery discussion. Its detractors' sole argument has been that such a step would deprive Lit's editor of one of his few remaining prerogatives. It has been said that Faculty supervision would mean that the Editor could no longer use his judgment in selecting contributions for the magazine.

Be it understood: the proposed plan does not give the Faculty Committee any powers whatever to discriminate between the manuscripts submitted. Lit's Board, guided and directed by its Editor-in-chief would have entire jurisdiction as to the contents of each month's issue. The function of Faculty Committee would be only that of a check in selecting the members of the Board. If the Committee regarded a contributor of two manuscripts more capable than a contributor of four or five, the former would be elected to the Board. Excellence instead of number of contributions would be the standard; editors would know that an attempt to initiate an inefficient man to membership on the Board because of his affiliations or prejudices, would be purposeless.

Fortunately, the Lit. Board itself champions the proposed scheme. The whole staff, including Editor Weaver, Manager Bissell, Carmer, Erhardt, Kimball, Gray, McLean, and Davis, has endorsed last week's editorial. This year's Board will signalize its administration by making the change.

A stride toward eliminating crooked politics and making Lit. a better magazine!

K. P. at Commencement.

Considerable agitation has arisen among alumni and students alike in favor of interchanging Clark Prize Exhibition and McKinney Prize Debate in the College Calendar. K. P. is held previous to Commencement Week only because of precedent. If there is any other reason for placing the most important speaking contest of the College in the middle of the term, **Life** does not know it. At present Clinton and Franklin Springs farmers comprise the audience; most alumni would rather wait until Commencement for a visit to the Hill than come to Clinton to hear a single speaking exhibition. As a result, Professor Lewis has received more than one request to recommend to the Faculty that Prize Debate be staged earlier in the term, with K. P. at Commencement time.

There seem to be no objections to such a change. If Clark Prize were held this year on Wednesday evening, June 17th, the winner would still have five days in which to prepare his Commencement Day oration; or if such allowance of time were insufficient, the K. P. orator's appearance on Commencement Day might easily be omitted.

The advantages of the project, however, are obvious. K. P. is unquestionably far more entertaining than the Prize Debate. If it were held at a time when alumni and students could enjoy it, interest in K P. and in the Commencement exercises would be increased twenty-five per cent. Prize Debate is sure to be dull to many of those who listen to it; K. P., on an average year, cannot fail to entertain all.

A Faculty member said not long ago, speaking of the student body: "Nothing could be more conservative than the undergraduate body of an American college." Here is a chance for the Faculty to set the pace in progressiveness.

* * *

A Sob-Session.

In something less than two months time, thirty-nine Seniors will receive diplomas signifying that they have completed their courses and are educated. To most of them sheepskins will mean more than trunk decorations; they will mark the end of one chapter in the book of life. Graduation means a break in the companionship of friends; in most cases a final break. The Seniors will not feel it during the summer, while they are mowing the lawn at home, but when next Fall rolls around and does not bring back the associations of four years, they will realize the change; unconsciously it will steal on them.

No one has ever found words strong and kind enough to describe a friend. We may name his titles, boast of his honors, tell of his splendid traits of mind and heart; but when we have said all, we return to the touching words, "He is my friend." Hamilton College is a little world of friends, all by itself. Veritably, it is a larger world than the one which it graduates enter, because it is a world of unselfishness. In it we have ideals, find friends; learn their hates and hobbies, their fads and foibles. Hamilton's is a healthy provincialism. We know each other's business too well, perhaps, but that is better than indifference. Graduation marks an absolute change of conditions and environment. An Alumnus can never again be in spirit an undergraduate. He is never on the Hill again when all of his classmates are; he isn't one of the boys. When he takes his diploma, he receives some degree of the deference which is paid to the "old grad."

There is no use trying to avoid it. Seniors, you are six weeks away from experiencing a break in that indefinable thing—college friendship. If you have made the most of your course, you will feel the change more than a little; if College has meant only books to you; if you could'nt mix, then you have missed more than you have won, Even should you know Latin from Alpha to Omega, as the Irishman said, you've lost out.

Anyway, those who have been forbearing enough to struggle thru this sob session find here at the end Life's earnest hope that every 1914 man is destined to fill a big "hole in civilization."

Spice of Life

At our earnest request, the Faculty will run a col. in the soon distance. No contribs. from G. Pot will be allowed.

Have you heard about the new Tugboat Trot? Danced with the tows.

Isn't May a merry month?
We laugh to see it come around,
Our laughter makes a funny sound,
We laugh to hear the funny sound.

From the Majestic Herald, Utica:

"It is a notable fact that, while 'Wallingford' did not give Miss Betty Farrington a great opening for the display of her talent, in 'Clothes' she will have a part which gives her full opportunity to be seen at her best."

Not knowing the young lady, Spice will not venture an opinion as to the accuracy of this statement.

"Sag" Carmer came one-stepping out of Commons the other day with this on his mind.

I ordered poached eggs,
They had wishbones and legs,
And the cute little things ran away.

Tubby Insley is thru going in to Utica to see Miss Jones. He 'lows he's strong for having her kiss him before and not after the pet dog.

A True One.

A. J. Cheritree, Manager of the St. Lawrence Football team goes with a girl who answers to "Miss Lemon."

Dud Kimball has at length selected his Y. M. C. A. cabinet, and it is as follows: Vicinity Work, Balz Turnbull; Settlement Work in Utica, Red Clarke; Systemetic Giving Committee, George Potter; Labor Bureau (making the beds in the Y. M.) Robert E. Schwenk; Corresponding Advisor about political programs etc, William Boss Barnes; Patrol Committee (keep Utica girls off Campus) Sidney S. Miller; Franklin Springs Committee, F. L. LaForce.

Bill Little knows what to do about our foreign relations. "Make 'em stay abroad!" says Bill.

George Tunbridge is beginning to get peeved. He says that Geo. Ogden came into Commons the other day and began to complain because there were flies in the hash. George says he can't be expected to serve bluebirds.

The Seniors were discussing the ethics of Capital vs. labor in Davy th' other day. Geo. Ogilvie said he didn't think it was right for the rich people to give all these parties in starvation times. He said the rich man ought to raise the poor man's son, instead.

Davy: How about that, Burns? Should the rich man raise the poor man's son?

Burns: How much was in the pot, and what kind of a hand did the old bloat hold?

J. Erhardt says he is taking a dose of rough-on-rats now before he goes into Bill Squires' class. Doesn't want to die on the premises, y'know.

Sometimes we feel real frightened about ourselves.

You know, our next line might be our last.

COLLEGE DINNER.

Next Friday evening after the baseball game with Rochester there will be a College dinner at Commons. The interscholastic speakers, who will appear in Chapel on the next day, will be the guests of the College, and the dinner will be given particularly for their benefit. It will serve also to arouse "pep" for the Rochester Track Meet on the following day. Coaches Risley and Toerner will speak

—Willard Burdick Eddy, '14, of Albion has been elected to Phi Beta Kappa.

—Hereafter the hexagonal bench to the left of Chapel will be reserved for the sole use of the Seniors.

—The Senior Class in Geology went on a field trip to Trenton Falls yesterday.

—The following men of the Freshman Class were tapped for D. T. last Friday afternoon: J. C. Donoghue, W. E. Donoghue, William H. Dayton, William M. Bristol, Gerard P. Hersey, Charles A. Leonard, Daniel Luce Jr., Stephen Martindale Jr., S. Pendleton, Chester D. Shepard, Clifton B. Whitman, Clayton B. Weed, and Joe Behan.

INTERFRATERNITY BASEBALL

It is extremely doubtful if a series of interfraternity baseball games will be played this Spring. The reasons are two: It is extremely difficult for the fraternity teams to get the use of the diamond with the varsity practicing there daily, and some of the crowds would find it difficult to secure nine men when baseball and track men have been eliminated. A series of five-inning games before breakfast is under consideration.

INTERSCHOLASTIC BASEBALL

The Oneida County division of Hamilton's Interscholastic Baseball League played off three more games this past week. Saturday, May 2nd, Oneida beat Camden 4-3; last Saturday Utica defeated Camden 5-4 and Oneida was overwhelmingly defeated by Rome. Thus far the standing is:

TEAMS.	WON	LOST	P.C.
U. F. A.	2	0	1000
CAMDEN	1	1	500
ROME	1	1	500
ONEIDA	0	2	000

CORNCOB PIPES

By upperclassmen ruling at a meeting last Friday, Freshmen hereafter may smoke nothing but corncob pipes on the Campus. This rule goes into effect immediately. Pentagon instituted the change, feeling that the present rule forbidding Freshmen to smoke pipes on the Campus led a great many Freshmen into the cigarette habit.

—Mr. J. R. Hague delivered an illustrated lecture on Africa last Friday evening in Chapel.

FRESHMEN BEAT CLINTON.

1917 . Trims . Clinton . High . School By Big Score.

"The opening game of the season resulted in a victory for the visitors." That is, to say the Frosh went down by the creek Thursday afternoon and beat up the Clinton High School nine with the score of 10 to 2. It was all excitement from beginning to end, and according to Freshmen critics many new "finds" were brought to light, as stated in the line-up. "Cheese" did the honors in the mound till he got tired of fanning men, and then was supplanted by Whitman. The pitchers were backed up in good style by the fielding of Capt. Behan, and "Sub" Donoghue. In the stick work Orr and "Gus" Donohue were the best.

The score by innings:

Freshmen	2	0	1	0	6	1	0	—10
Clinton H. S.	0	1	0	0	0	1	0	—2

Freshmen—Donoghue 1b, Pohl, ss., 2b, Behan, 3b, Rothensies, ss., p, Whitman p,, 2b, Orr, Whitcombe, c; Powers lf, Donohue, Fraser, cf, Shields, Huntsman, rf.

Dr. GRENFELL MEETS SENIORS.

The members of the Faculty and the Seniors were given the opportunity to meet Dr. Wilfred T. Grenfell, the great missionary to the Labradors, and Thomas R. Proctor of Utica, recently elected a Trustee of Hamilton College, at the home of Professor and Mrs. A. P. Saunders last Wednesday afternoon. Dr. Grenfell spoke briefly of the work which was being carried on in the Labradors.

Work Satisfactory.

The distinguished visitor answered many questions addressed to him. His talk dealt chiefly with the opportunities for service in missionary work, and especially in the endeavors of the medical missionary. He assured his hearers that medical practice among the fishermen of the Labradors was certainly not a lucrative occupation.

When asked what the requirements were for his assistants, he enumerated them as follows: "First, he must be willing to come, and second to pay his own expenses, and third, he must show enough ability to justify his coming."

Dr. Grenfell is on his way back to the Labradors after a year of lecturing to raise funds for the maintenance and extension of the mission. He addressed a large audience in Curtis Hall, Utica, Wednesday evening.

LIFE BOARD DINES IN LOUIS QUATORZE ROOM

Management Gives Board Annual Din Ner in "Banquet Room" of Commons. Query: Who ate Most Planked Steak?

Last Wednesday evening the members of the **Life** Board gathered in the Louis Quatorze banquet room at Commons for their annual feed under the auspices of the management. The 'mangement' blew in its filthy lucre recklessly for the occasion, according to all reports. And as for the feed, just take it from the Board. G. E. Tunbridge of Rome, the noted culinary artist, completely outdid himself, assisted by Pathrick, the wild Irishman who presides over the candy counter for the 10.30 Hershey Club.

Jeff Swallows 3 Pounds.

There were castles of potatoes, planked steaks, white tablecloths, and bottles of sparkling Duffy's pure malt apple-juice, which Dud Kimball was not allowed to drink, for the sake of his Y. M. C. A. rep.

One of the honorary guests, Airlie Ogilvie by name, by actual count put away three pounds of solid beefsteak while one of the Seniors (a member of the track squad, too,) no names mentioned, is said to have beaten Ogilvie at his own game. However that may be, everything from bullion (anglicized, y' know) to coffee and toothpicks disappeared with amazing speed.

Leavenworth Speaks.

After the business of the meeting had been thus concientiously disposed of, the outgoing Senior members of the Board were each called on for speeches. We forget most of the speeches, but they were all appropriate and concise. Emeritus-Editor Leavenworth reported the convention of the Association of Eastern College Newspapers, held at Columbia University in Easter vacation, which he attended. The association was formed last year, with **Life as** one of the charter members, and includes all the large college newspapers of the East.

The Editor announced the beginning of a competition for staff photographer, to be open to 1916 and 1917. The dinner finally broke up with a long yell by, of and for the Board, and the diners retired to recuperate.

FACULTY vs. SENIORS.

Prof. Brown Says That Game Will Be Played, if Seniors Come up.

Like Barkis, the Faculty baseball team is willing to play the Senior team a round of baseball. Prof. Brown allows that the game will be played, unless the Seniors back off. Last year's Faculty team is intact with the exception of Prof. McHarg, who has left College, and the team is strengthened by Prof. Super, reputed to be a veteran at the game, and a dangerous man with the stick. Ristine is nursing his pitching arm. "Trot" Chase, "Brownie," and "Cal" will form the nucleus for a strong infield.

The Senior line-up will be developed from Mengerink, Weaver, McGibeny, McMillan, Ogilvie, Abernathy, Barnes, Flagg, Lee, Jessup and Leff Brown.

—Henry Kitchell Webster, '97, had a story in last week's Saturday Evening Post entitled **Vanilla.**

—McKennan, '16, has left College for the rest of the year.

NO GAME WITH ROCHESTER.

There will be no Hamilton-Rochester football game next Fall. In spite of the attempts of Manager Miller to change the date of the St. Lawrence game, Manager Cheritree of the Canton team is not able to negotiate the change, and so it will be impossible to schedule a game with Rochester. An attempt will be made, however, to fill the open date, Nov. 7th. Miller is in communication with Bowdoin, and other colleges in hopes of securing a date.

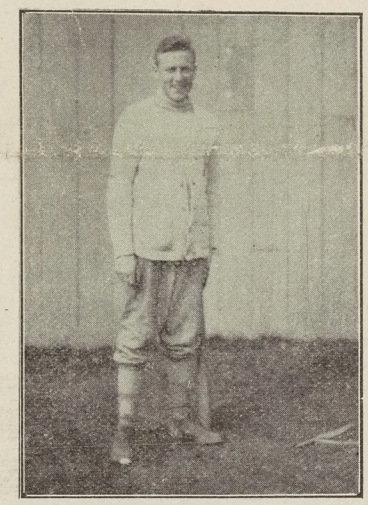
STRIKE-OUT RECORD HELD BY CAPT. ROYCE

Intercollegiate Record for This Year Held By Hamilton's Captain. Twenty Strike-Outs.

MADE RECORD AT ROCHESTER

Royce May Possibly Have Broken Intercollegiate Record, But Probably Not.

The latest rumor is that the magnificent work which Captain Royce did in the game with Rochester at that city a week ago Saturday, when he struck out twenty men in nine innings, may be a new intercollegiate record. Coach Toerner has watched all the newspaper reports with care this Spring, and is positive that Royce's pitching is the record for any college game this year. He also says that as far as he knows it is as good work as has ever been done on a college diamond in the history of the game. No information has been obtained concerning the record which is absolutely positive. It is said that a pitcher of the University of Virginia, named Rixey, pitching in a game at Philadelphia some seasons ago, struck out twenty-one of the opposing batsmen, but this is not certainly known.



Capt. S. W. Royce.

Royce's performance is all the more noteworthy for the fact that it was on a strange field, where he had neither the advantage of a familiar ground, or of a possibly friendly umpire. It is by far the best work which he has ever done, altho he usually makes a good record of strike-outs for every game pitched. For a professional ball-player twenty men struck out in a single nine-inning game is extraordinary work, and it is a phenomenal performance for an amateur on a college team.

HAMILTON DROPS GAME TO UNION BY CLOSE SCORE

Hard Luck Contest in Schenectady. Results in 3 to 2 Victory for The Garnet Team.

GAME PLAYED IN HARD RAIN

Discontinued After 7 Innings on Account of Storm, Resumed on Wet Grounds by Ump's Orders.

After winning three games straight the Hamilton ball-tossers journeyed down to Schenectady and to defeat at the hands of Union Saturday afternoon. The score was 3 to 2.

Hamilton Leads.

At first the game took the aspect of a pitcher's battle, but in the third inning Higgins found the "Hummers" of the Union twirler for a two-bagger, and tallied on Griffith's single to right. In the next session Ogden, the first man up, knocked a homer over the left fielder's head, and was the only one to score in the inning. The seventh found the score two to nothing in Hamilton's favor, when a heavy downpour sent both players and spectators to cover for three-quarters of an hour. At five-thirty the sun reappeared and with water standing on the diamond the play was resumed. On the first play Friday dribbled a grounder down first base line which got by Erhardt, and on a passed ball the runner went to third. Jake Beaver surprised the populace with his first hit of the season, a triple between Ogden and Gow. Zimmer scored him with a Texas leaguer over second. It was also Jake who scored the Garnet's winning run in the last inning. After Steve struck out Rosencranz and Friday, Beaver got in the way of a spitter and took first. He stole second and third and came home when the last strike on Zimmer went low and bounded against and away from Miller's breast protector.

Brilliant Fielding.

Griffith and Higgins fielded brilliantly, the former with a shoe string catch from Naumann's bat, and the latter with the sensational stop of Wood's liner.
